

Goldilocks and The Three Bears

Today I listened to the story of Goldilocks and The Three Bears. I got to play in the P1 classroom. I drew a picture of some delicious food.

Our word of the week is...

delicious

Week 3

Transition Tales

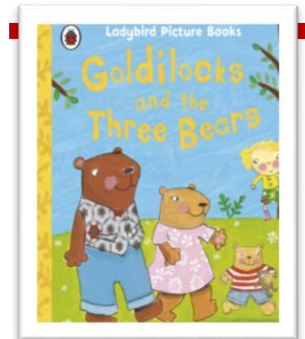

2

Each time we heard the word delicious today we waved our hand in the air.

On the 2nd June we will get to try some delicious food in the dining hall.

- My favourite part of the story.
- What did Goldilocks eat? What is my favourite thing to eat?
- What the word of the week was.

Ask me

- You can find the story of Goldilocks and the Three Bears on YouTube.
- After you have watched the story ask your child to draw The Three Bears and to identify the three different sizes (small, medium and large).

NEXT WEEK: All non St Francis Nursery children should be dropped in the playground at 11.00-11.45 for another visit.

St Francis ELC will do this as part of their day with the keyworkers.
