Literacy— Common Words

a it is in

Go out into the garden and create some of your common words using stones, sticks and other natural materials.

Can you find things around the house to make your common words?

Can you make your name using different materials?

Challenge: Can you write your common words or your name on paper?

RERC— My Gifts

Sit in a quiet area in your house, close your eyes and think of the things you are good at.

Your talent is Gods
gift to you
What you do with it is
your gift back to God

What gifts has God given you to share with the world?

Tell an adult.

Draw a picture of you doing what you are good at and say a prayer to thank God for the gifts he has given you.

Health and Wellbeing

Go outside and play!

You could maybe use the leaves that have fallen off the trees to create something?

Numeracy— How many?

Use items in your house to show what numbers look like.

For example, you could use buttons to show 8.

Can you show me any other numbers?

Ask an adult to put out some items and count them.

Remember to move the object as you count it.

Outdoor Learning

If it is raining, ask an adult if you can use some washing up liquid outside. Pour a little bit into a puddle. What happens? Can you make bubbles using string?

Can you create a boat out of things outside and make it float in the puddle?

Remember to wear wellies and a jacket!

Social Subjects—Past events in my life

Ask an adult if they have any pictures of you from when you were a baby.

Look at the picture and talk about how you have grown.

Can you remember any special events from your life so far? A birthday party or learning how to ride a bike? Tell an adult what you remember about it.

Do they have stories that they want to share with you about a special event in their life? How is their story different to yours?

Can you create 2 or 3 pictures showing special events that have happened in your life?

Can you put the pictures in the correct order?

Literacy— Storytelling

What is happening in this picture? Use your imagination to make up a story.

What is her name?

What has happened to the bear?

Who else might be in the story?

Can you act out this story with an adult or a friend?

P.E— Balancing

Try some cosmic kids yoga.

Remember to use your arms for good balancing.

Mathematics—shape and patterns

Can you notice any patterns around the house?

Hint: Look at the walls, furniture and your clothes!

Can you create your own shape pattern?
