

St Francis Xavier's Primary School

and Nursery Class

Primary 5, 6 and 7

Health and Wellbeing—What happens in the body?

emotion works

Helps us to learn and talk about emotions

Orange: Emotion Words

How are you feeling?

Red: Body Sensations

Where do you feel it?
What is happening inside your body?

Think about what happens in your body when you feel an emotion. Can you create a diagram to show what body sensations show certain emotions.

What are the **body sensations** for the **emotion word** “jealous”?

What are the **body sensations** for the **emotion word** “guilt”?

What are the **body sensations** for the **emotion word** “ecstatic”?

Active Literacy—Spelling

Focus on the spelling strategy “analogy.”

Example: If I can spell *file*, I can spell *smile* and *pile*.

Use your spelling words to see if you can create other words using the analogy spelling strategy.

Example:

Faster f + aster

Master m + aster

Plaster pl + aster

Try to create a poem that rhymes using this strategy.

RERC— October is the Month of the Rosary

Can you remember the Mysteries of the Rosary?

The Joyful Mysteries

The Glorious Mysteries

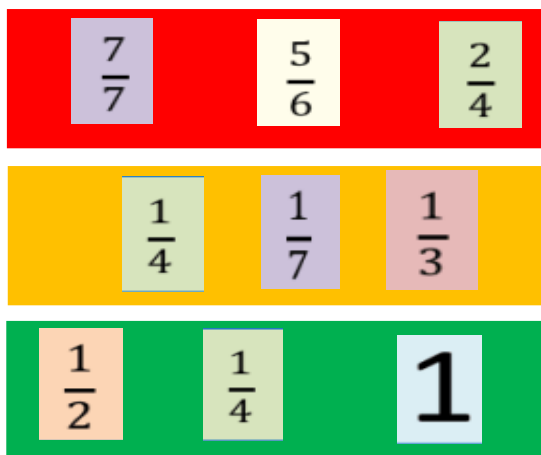

The Sorrowful Mysteries

The Luminous Mysteries

Create a poster to show the stories you remember from each of the mysteries. You might want to split your page into 4. You can use the internet to help you.

Numeracy— Order and Prove it!

Put the values in order from smallest to biggest and prove it. You might want to draw a picture to help you.

Outdoor Learning

Go outside and sit/stand quietly. Tune in to your senses. What do you:

See, Hear, Smell, Feel, Taste

5 Senses

Create an Autumnal poem about what your senses pick up on during this Autumn season.

Primary 5, 6 and 7

Technology—Create your own Google Logo.

Coding is a way of instructing computers to get them do what you want.

A task for the people at google is to create a google logo for special events.

Follow the link to watch an introductory video and create your own google logo. By doing this you are learning how to code!

<https://csfirst.withgoogle.com/c/cs-first/en/create-your-own-google-logo/create-your-own-google-logo/create-your-own-google-logo.html>

Literacy— Writing

Watch the video Piper.

<https://www.youtube.com/watch?v=vPuRBiBCxyk>

Piper is scared of the water at first but overcomes her fear by persisting and watching/asking others for advice.

Can you create a character and describe a fear that they may have. How do they overcome it? Piper was scared of the water because it was new to her. Think of the type of creature you are writing about and consider what fears it may have.

P.E— Kids Workout

Give the kids workout a go at home.

<https://www.youtube.com/watch?v=dhCM0C6GnrY>

Mathematics— Time

You have decided to go to the Edinburgh Playhouse to see “The Lion King,” on a Saturday night. The show starts at 7:30PM and lasts for 2 hours and 10 minutes.

Plan how you will get there and get back.

You can only use public transport such as busses and trains. You will need to use google to find out what bus or train to take, what time you need to be at the station to go and come back.

Create a plan to show how you will get there and get home.

Hint: reading the timetables for buses and trains can be tricky. If you get stuck, get an adult to help you.

Spanish — Numbers 1– 20

Practise the pronunciation of numbers 1–20 in Spanish using the link below.

<https://www.youtube.com/watch?v=8fPF1eGvLLM>

Challenge:

Can you create simple addition calculations in Spanish.

E.g. Uno + Cuatro = Cinco
