Letter formation and recognition

Practise the letters you have learned over the last term.

You could write the letters in shaving foam, sand or glitter. Or make them with Play doh.

Here they are:

ck	e	h
r	m	d
g	o	u
l	f	b

Making thinking visible

When we make our thinking visible, we tell others what is going on in our head.

See, think, wonder

Look at the image below.

See – say what you see, eg., snow.

Think – Talk about what the image makes you think about. Perhaps it makes you think about building your own den.

Common words and vowels

Common words: **and a an**

Vowels: **a e i o u**

Can you tell your grown up all of the vowels?

Choose a book and look for any common words that you can read.

Write down the vowels in these words.

How many times can you spot each vowel on one page?

Outer Maths – Time

Use the online calendar to help you spot the day, date and month.

Find out what day of the week your birthday will be on. Ask your grown up to help you.

Storytime

Share a story with someone at home.

Try to retell the story in your own words.

Lots of stories can be found here:

Outer Maths – Money

Use your counting skills to count the 1p coins.

Wonder – when you look at the picture, what questions pop into your head? Perhaps you wonder if anything is in the den? This is a good chance to share your thinking and also to hear what others think.

<u>RE – Daily Prayers</u> Continue to pray your daily prayers.	<u>HWB</u> What makes you feel happy? Share this with someone at home. Ask them what makes them feel happy. Think about other words that we can say that mean 'happy', eg., cheerful or jolly. Learn at least one new way to say happy. There are some ideas here: https://www.pinterest.co.uk/pin/496240452681764153/ Share your happiness with someone today. Do something kind or tell your favourite story and see how many people you can make smile.	<u>Let's get outside!</u> If you can, go outside, if not perhaps you could ask your grown up to open the window so that you can focus on all of the amazing sounds. Lie down and relax. Take a moment to listen to the sounds. What is that sound nearby? Focus with your ears, what is that far away sound ? Now let Jaime take you on an adventure... https://cosmickids.com/video/the-listening-game/
